Particulars of Organisation, Functions and Duties

National Institute of Animal Biotechnology (NIAB) is an autonomous institute under the Dept. of Biotechnology (DBT), Ministry of Science & Technology, Government of India and is a registered society as per the Andhra Pradesh Government Act., 2001.

Present Address:

National Institute of Animal Biotechnology (NIAB),
Opp. Journalist Colony, Near Gowlidoddy,
Extended Q City Road, Gachibowli,
Hyderabad, Telangana, India - 500 032

The goal of NIAB is to:

- Harness existing and emerging biotechnologies and;
- Build a strong and competitive animal-based industry

Objectives:

1. To undertake directed, basic and applied research towards technology and product innovation. Characterization of breeds and selective breeding to enhance productivity; develop technologies for multiplication of elite genotypes. Development of transgenic animals for producing molecules of pharmaceutical value. Enrichment of crop residues into high value products. Development of new generation vaccines, diagnostics and drugs.
2. To develop human resource across the value chain, primarily for translational research, industrial R&D; facilitate introduction of short term advanced training, with a focus on interdisciplinary science, innovation and the science of manufacturing.
3. To contribute to national policy formulation related to animal biotechnology, animal bio-safety issues and ethical issues.
4. To promote intellectual property protection, business development, technology transfer, and academia-industry partnerships.
5. To develop collaborative programs with national and international partners with focus on translational research and product development.
6. To provide incubation facilities for entrepreneurs/startup companies.

7. To create

- (i) extramural centers with emphasis on product innovation and translational research
- (ii) 'not for profit' companies; and
- (iii) facilitate the creation of 'for profit' companies

Functions and Powers of the Governing Board

The Governing Board shall generally carry out and pursue the objectives of the Society set forth in the Memorandum of Association. The management of all the affairs and funds of the Society, shall for this purpose, vest in the Governing Board.

The Governing Board shall exercise all the powers of the society, subject to national policies and laws of the Government of India.

In particular and without prejudice to the generality of the foregoing provisions, the Governing Board shall have the power, subject to the provision of these rules and the bye-laws to:
