Do not mention price of any items on any of these documents of scope of supply otherwise your bid will be rejected. The successful bidder has to supply all essential accessories required for the successful installation and commissioning of the goods supplied. Besides standard accessories as per normal industry practice, other accessories & requirement mentioned in this Bid ATC/Specification must be part of supply and cost should be included in bid price submitted on Gem.
- D. It has been noticed that few bidders simply copy paste technical compliance points from Bid documents and make their technical brochure and submit compliance statements. It has been observed such firms in case they become L-1 then supply the material which is not matching with specification or ask for modification request after delivery and try to make fit near specification which not only creates a dispute but also a time /research ingredients are wasted due to substandard quality of supplied product. NIAB has viewed this issue/cases very seriously. Therefore, it is strongly stated that the vendor must supply the equipment matching exactly with specification as asked in Bid documents and no further modification will be allowed once the item is received at NIAB. If the item supplied is not matching with specification, It will be rejected immediately, Po will be cancelled, and the Bidder/OEM will be Blacklisted for a period of Three Years from date of rejection from further participation of any of NIAB Bid. Bidders must give their compliance for this point failing which your bid will be rejected.
- E. Eligibility: (a) The Bidder must be a Manufacturer or its authorized Agent.
