

# WORKSHOP ON THE EMERGING TRENDS IN STEM CELLS AND BIOMATERIALS FOR ANIMAL THERAPEUTICS

75  
आज़ादी का  
अमृत महोत्सव

Department of Biotechnology  
Government of India

February 14-20, 2024

## HIGHLIGHTS

Stem Cell Biology & Laboratory Animals Models  
Biomaterials & 3D Bio Printing; *In vitro* Organoids

## Invited Speakers

Prof. Geeta K Vemuganti  
University of Hyderabad

Dr. Arvind Ramanathan  
inStem, Bangalore

Prof. Sujata Mohanty  
AIIMS, New Delhi

Dr. Falguni Pati,  
IIT, Hyderabad

Dr. Aravind Kumar Rengan  
IIT, Hyderabad

Dr. Vikash Chandra  
ICAR-IVRI, Izatnagar

Dr. Pavithra Chavali  
CCMB, Hyderabad

### Industry Talks:

M/s. Cellink  
M/s. Next Big Innovations Lab  
M/s. Molecular Devices

### Organizers:

Dr. G. Taru Sharma  
Dr. Sandeep Goel  
Dr. Sonu Gandhi  
Dr. Vinod Kumar  
Dr. Janani Radhakrishnan  
Dr. G. Madhavi

**Eligibility:** Ph.D. Students, Project fellows, Postdocs and Young scientists (Preference will be given to those who are working in stem cell biology research area)

**Resource Persons:** Faculty of NIAB, other National Institutes of Eminence and Industry

### Registration Co-ordinators

Dr Vinod Kumar ([vinod@niab.org.in](mailto:vinod@niab.org.in); +91-8423726708)

Dr G Madhavi ([gorla@niab.org.in](mailto:gorla@niab.org.in); +91-9347063301)

Limited to 20 Participants  
Registration Fee- ₹ 2000

Application Deadline  
5<sup>th</sup> February, 2024 till 5PM
