**PhD Program in Biotechnology  
Admission Notice  
BRIC-National Institute of Animal Biotechnology (NIAB)  
RSP-I/2025-26**

Selection Process, Date of Interviews and Joining of Ph.D Program

With reference to our Advertisement RSP-I/2025-26, the mode of selection process has been revised. Candidates are now required to come to NIAB for appearing in both rounds of the interview. All the applicants will be screened on the grounds of earlier advertised eligibility and those found eligible will be informed latest by 10<sup>th</sup> May 2025 by email. The screened candidates will have to come physically at NIAB for appearing in both rounds of the interviews. **The dates of interviews are 28<sup>th</sup> and 29<sup>th</sup> May 2025.** Please plan to arrive on the 27<sup>th</sup> May to avoid delays in appearing for the first round of interviews. NIAB will be happy to facilitate arranging accommodation during your stay. However, candidates are required to arrange their travel on their own. Selected candidates are expected to join NIAB no later than 30th June 2025.

All other terms and conditions of the advertisement including eligibility criteria, age limit, qualification etc. for applying for the posts shall remain unchanged.

For more details, please visit our website. <http://www.niab.res.in>.
