Advt. No. 34 / 2026

BRIC–NATIONAL INSTITUTE OF ANIMAL BIOTECHNOLOGY (BRIC-NIAB), HYDERABAD

ADVERTISEMENT FOR WALK-IN INTERVIEW

Applications are invited from eligible and motivated candidates for a **Walk-in Interview** for the following temporary project position at BRIC–National Institute of Animal Biotechnology (BRIC-NIAB), Hyderabad.

Project Title: *Pioneering Bioprinting for Growth In and Out of Orbit: One Small Step at a Time for humankind*

Project Coordinator: Dr. Ravi Kumar Gandham, Director, BRIC-NIAB

Principal Investigator: Dr. Pankaj Suman, Scientist-E, BRIC-NIAB

Aim: To develop an innovative bioprinting methodology and a specialized device for fabricating functional organ constructs in microgravity. The long-term goal is to advance tissue and organ engineering for potential transplantation and biomedical applications both in space and on Earth.

1. Position and Eligibility

Post Code: Project Scientist-I (01 Position)

Essential Qualification: Ph.D. or Master's Degree in Engineering or Technology in Life Sciences, Biotechnology, or any other relevant allied discipline from a recognized university.

Desirable Experience: Candidates with prior hands-on experience in the following areas will be preferred:

- Stem cell / mammalian cell culture
- Organoid development, culture, and characterization.
- 3D bioprinting, particularly organ bioprinting and tissue engineering.
- Experience in developing functional tissue constructs and related regenerative medicine approaches.

Preferred Candidate Profile: Candidates should have strong research capabilities, practical technical expertise, and a demonstrated interest in conducting challenging research to develop functional, transplantable organ constructs using advanced bioprinting technologies.

Monthly Fellowship/Emoluments: ₹56,000/- per month plus 27% HRA, as applicable under the project guidelines.

Age Limit: 35 years.

Tenure: The initial engagement will be for a period of six months, which may be extended subject to project requirements, satisfactory performance, and availability of funds.

2. Application Procedure

Interested and eligible candidates are requested to submit their detailed biodata/CV along with self-attested supporting documents, including proof of date of birth, educational qualifications, and relevant experience certificates, by email to:

Dr. Pankaj Suman Principal Investigator, BRIC-NIAB. Email: pankajsuman@niab.org.in

Last date for submission: 09-12-2026, by 5:00 PM.

Candidates must clearly mention the following particulars **at the top of their biodata/CV**:

1. Post Code
2. Essential Qualification
3. Relevant Qualifications
4. Relevant Research/Work Experience
5. Age

Email Subject: Application for Project Scientist-I (Post Code: Project Scientist-I)

3. Selection Procedure

Applications received within the stipulated deadline will be scrutinized for eligibility and relevant experience. Only shortlisted candidates will be invited to attend the online walk-in interview. The date, time, and online meeting link will be communicated to shortlisted candidates through email.

4. Important Instructions

1. Only candidates fulfilling the prescribed essential qualifications and eligibility criteria will be considered.
2. Candidates must submit valid supporting documents along with their application.
3. **Only a Provisional Degree Certificate or Convocation Degree Certificate will be accepted as proof of the qualification.**
4. Experience certificates must be duly issued and authenticated by the Head of the Department/Office of the respective organization.
5. Incomplete applications or applications received after the prescribed deadline may not be considered.
6. The position is purely temporary and project-based. The appointment will not confer any right to claim regular employment at BRIC-NIAB.
